Parking & accessibility

We kindly ask you to make use of the designated parking spaces available and to not park anywhere else in the neighborhood. The park itself has probably enough parking spaces and be ware of any directions that will point you to the right spots when the obvious ones are taken.

The park is about a 20 minute walk and a 7 minute bicycle ride from Venlo Central Station.

Camping

During the tournament there is a dedicated camping spot on the right side of the grass fields which can be used during the whole tournament from Friday at 19:00 till Sunday. Water and sanitary facilities will be available during the night in the dressing rooms building.

Communication

We chose to use whatsapp as our communication channel throughout the tournament. Every member will be welcomed at the Schots & Scheif 2024 app group which is there for plain socials. Share your moments, find each other, help each other and have fun together. Ask your team captain for the invitation link!
